

**HANDOUT**

# Evidence Log

**Directions:** Collecting evidence is an important part of essay writing because it allows you to weigh different sides of an argument. Record your evidence below, keeping in mind multiple perspectives.

Writing prompt:

Doc #	Citation	What information from this source addresses the writing prompt?	Information about author/creator	Source rank (1-3)

Writing prompt

Source information (document name, who said it, date, etc.)	Who was involved?	What role(s) did people play?	How does this connect to the prompt?	What happened?
